Number bond kites

Get your fingers working with pegs and ribbons for your kite. Can you put the right number on your kite?

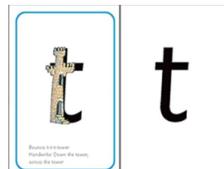

Colour mixing challenge
Using just the primary colours of red yellow and blue can you paint a beautiful dragon like the night dragon

Our dragon last week interrupted a lot of traditional tales. The children didn't know all of them so we will be sharing Hansel and Gretel, Pinocchio and Rapunzel this week

Who can save Rapunzel from the t t tower

The dragons in this story have beautiful names. What would your name be? Make one up yourself or use the name generator to help. Talk about the month you were born.

The dragons are all jumbled up! Can you put them back in the right order? 1-10 or 1-20 and beyond!
