

Dear You (YES YOU!!!),
 Alex has found a DRAGON in his HOUSE
 and he doesn't know what to do!
 Open the letters and READ the MAGIC...
 BUT BE CAREFUL...
 DRAGON'S are DANGEROUS!!!
 Aren't they?

Dragon Egg Hunt Game

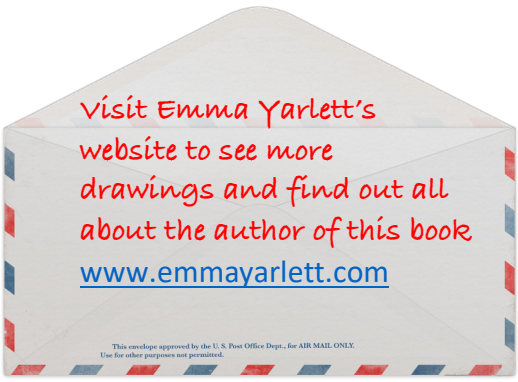

How to Play:

- Print off a Dragon Egg Hunt sheet for each player or team.
- Print off a set of dragons. (You might like to print them onto card or laminate them to make them a little more rigid.)
- Hide the dragons around your party venue. You could use ice-cream sticks to make a hole in the dragon pictures and thread some ribbon through to help hide the dragons in different places.
- Explain to the children that each dragon has hatched from an egg - the pattern and colour of each dragon matches an egg on the egg hunt list. The dragons are hiding around the venue. As the children find a dragon, they need to look the matching egg on the sheet.
- Remember to let the players know where the playing area is and which areas are out of bounds.
