

Hi Everyone

My name is Mrs Nicky Oakes and I am REALLY excited to be your child's new teacher in September! I love working with Foundation children and can't wait to meet you all and get stuck in!

But first, here's a little bit of information about me...

I have been a Foundation teacher for 19 years and 14 of those have been as a

Foundation

Leader. I

have taught

in Derbyshire, Nottingham City and

Nottinghamshire County Schools. During

that time I have gained a wealth of experience getting to know lots of

different children and their families.

My husband and I have two boys and love getting out and about. Walking, cycling and camping. I love watching the boys play football at the weekend as well as meeting up with my book club friends to go to the theatre - though not all productions are very high-brow!

Looking forward to working with you all in September, have a wonderful summer,

Nicky Oakes,

Foundation Lead.
