

Hello everyone,

My name is Miss Dibley and I would just like to say how delighted I am to be your new Y4 class teacher. KPNS looks like a fantastic place to be and I am very excited to join the team. I love learning new things and challenging myself and look forward to the fun times that we have in the year ahead.

A few things about me...

I have lived in Nottingham for nearly all my life, I was born in Northumberland. I went to University in York and loved York but always wanted to come back to Nottingham. I have a very big family and we are all very close. I have two older brothers, and two amazing nieces. We love spending time together and have lots of fun when we all meet up.

I am a very sporty person and play hockey I have played hockey and cricket since I was at Primary school myself. I played both sports for Nottinghamshire which was an amazing opportunity. I also like to keep myself fit and healthy and enjoy going to the gym and swimming with my friends. I also love reading and love finding a new exciting book

I love going to new places and finding out about the history behind different places I have visited. One of my favourite places have been Florida as I went with all my family, we had an amazing time and seeing my nieces smiling faces at Disney was the highlight. I also loved visiting Croatia as this is where they filmed a lot of *Game of Thrones* which is one of my favourite shows, it is such a beautiful country!

I have loved teaching at Crossdale and am thrilled to now be at KPNS. I am excited to be joining you all in September and look forward to hearing all about your summer holidays. I know we are going to have a brilliant year with lots of fun, smiles, friendship and exciting learning.

Have a lovely summer and make the most of it.
I can't wait to hear about all your adventures.

Love from Miss Dibley 😊
