

Animal Diets

Amazing Fact

In the wild, giraffes eat up to 34kg of foliage every day and spend 16-20 hours a day eating.

Challenge

Sort the animals into the Venn diagram according to their diet.

You could also try to find out:

- what weighs the same as 34kg?
- which other animals eat a lot of food every day;
- how much you eat in a day (make a food diary or take pictures of your diet for one day).
