

NC (AF2): I can discuss the sequence of events in a book.

Everyone: You can't swallow when you're upside down. (A/B/C)

Bronze: I can order the pictures and discuss the sequence of events.

Silver: What are the different stages the bus goes through? Write them in order and explain what happens at each stage.

Gold: Complete the sequencing task.

Gold activity!

We could hear a gurgling sound all around us.	
We started to shrink even more.	
Darkness engulfed us.	
We were being pushed along the throat by muscle actions.	
We travelled for ages (25 feet to be exact).	
We followed the food molecules through the pipelines.
