

# A Jubilant Jubilee!

*Before half term, the children of Keyworth Primary and Nursery School joined the rest of the country in celebrating the Queen's Platinum Jubilee. We*

*had a special, whole school day of celebration and it was so much fun! We started the day with an assembly where we watched footage from the original coronation and learnt all about the Queen's reign over the years and what it must have been like to have so much responsibility at such a young age. We then enjoyed making some royal crafts; crowns, flags and sparkly badges were the accessories of choice! At lunchtime, the sun shone for us to have a picnic all together and then we finished off our celebrations with a variety of stories including The Queen's Hat and, to the delight (and giggles) of the younger children, The Queen's Knickers! We felt so privileged to be able to celebrate with the Queen and mark this special occasion in history together.*

## We LOVE Cricket!

The children in Key Stage 2 have been loving their PE lessons this term! Cricket is the sport of the season and the children can't get enough of bowling, batting and fielding- as you can imagine, It's getting very competitive! A big thank you to Keyworth Cricket Club who come into school and offer coaching sessions throughout the term and who will also be participating in our up-and-coming Sport Week. We definitely have one or two aspiring cricketers in our midst, perhaps one day they will be swapping our KPNS pitch for Trent Bridge?!

## Musical Memories!

The children in our Foundation Unit have been having a lot of fun dancing and drumming on Thursday and Friday mornings. We have been lucky enough to have some sessions provided by Beatfeet again this year and the children have been storytelling through dance and joining in singing, dancing and playing the drums.

These sessions provide the children with time to be themselves and gain confidence in a variety of ways. The sessions are aimed at well-being and you can guarantee that every child has a smile from ear to ear in these sessions!
