

# A SUPER SPORTY WEEK!

We love Sports Week but this year it has been the best one yet! The children have had so many wonderful experiences and have been exposed to a huge variety of sports and activities from gymnastics, cricket, rugby and football to swimming, multi-sports and dance. The children had a special demonstration from Sam Oldham, Olympic Gymnast, and our very own talented Charlie from Year 6 introduced us to Mounted Games and let us spend time with her horses, Dolly and Rio.

We finished off the week with a brilliant sports day. In the morning the Year 6 children ran potted sports for all the children to enjoy and in the afternoon, we held races to satisfy those who are budding athletes and enjoy sport with a competitive edge.

To top the week off, our wonderful KPNS Cricket Team won the 14<sup>th</sup> Annual Schools' Festival held by Keyworth Cricket Club! Well done TEAM KPNS!!

## Magnificent Monarchs!

*In Year 2 the children have been enjoying their topic 'Magnificent Monarchs' where they have been learning about the great British monarchs including: Alfred the Great, William the Conqueror, Henry VIII, Elizabeth I, Queen Victoria and, of course our current monarch, Elizabeth II. To help them understand what it was like to live as a King or a Queen, they took a trip to Tamworth Castle. As well as having a tour of the castle, the children took part in two specialised workshops. One focused on using replica historical items to role play lords and ladies, the other gave children the experience of training to be medieval knights! The children came away with some great memories and the trip helped to consolidate their learning from their history lessons as well as bringing the whole topic to life.*
