

Hola Mexico!

Bienvenido a Mexico! We're going to explore this unique country, from its towering temples to its fun-packed festivals.

We'll be learning all about the ancient Maya civilisation from their landscape to their culture. We'll be learning about Maya food and researching what similar foods we have today, before making our own tortillas and dips! We'll research Mayan glyphs and learn how to write our name in them. We'll also be reading Maya myths and legends before writing our own.

Spellings will be tested every Friday and are on Doodle Spell.

PE days are Tuesday and Thursday. Please ensure your child brings the correct kit.

Homework – be in the green zone on Doodlemaths and Doodlespell. Children should be reading at least 3 times per week at home. Please ensure home/school books are brought into school every day.

Help your child prepare for their project

Mexico is a fascinating land full of music and celebration. Why not work together and use non-fiction books or online research to find out about the impressive landmarks of Mexico? You could also look at holiday brochures or websites to plan an imaginary trip to Mexico. Alternatively, you could sample Mexican food in a restaurant or at home.
