

# People who help us!

In our EYFS Unit we have been learning about people who help us. We had a very special visitor from a Police Officer. He talked to us about how the police help us and the children asked lots of questions like, 'Do you drive very fast?', 'Do you catch bad guys?', 'Have you got a motorbike?' and lots more! They also had the chance to try on some of his uniform. It was a really great visit and the children learnt so much about being a Police Officer, they even spent hours after his visit making their own belts, radios and handcuffs. A special thanks to PC Gibaldi for giving up his time, we very much appreciate it.

## A very grand start to the term.

Our Year 2 class had a super start to the new half term with a trip on their very first day back! This term, in history, they will be learning all about 'Magnificent Monarchs' and what life would have been like for some of the Kings and Queens from our past. What better way to really understand what it was like than to visit a real-life castle?! The children had a day out at Tamworth Castle where they learnt about how the Lord and Lady of the castle used to live, as well as what life as a squire was like! They put together a suit of armour, looked at some of the

weapons used in battle and got to explore all the different rooms within the castle. They all had a fantastic day and represented KPNS beautifully! Well done Year 2!

## Thunberg Class Assembly

Throughout the year, each class in school holds their own class assembly where they invite their parents in to share what they have learnt about their significant person. Our first class of the year was our Year 4 Class. They have been learning about Greta Thunberg and all her achievements so far. The children researched her life and wrote their own biographies about her. To produce the class assembly, they combined their biographies and filmed it (check out our website to see it- it's AMAZING!) to share with their parents and the rest of the school. They accompanied their biographies with some stunning artwork. Well done Year 4, you had your time to shine and you did it brightly!
