

# Keyworth Primary and Nursery School

*unlocking every child's potential*

## Keyworth to Paris – Virtual Adventure!

Dear Parents,

We are excited to share our latest adventure with you! Keyworth Primary is embarking on a virtual journey from Keyworth to Paris, just in time for the Olympic games. To make this journey a reality, we need your help and participation – although some activities will take place within school time, some will take place outside of school time. The virtual journey:

- **The first leg:** As a collective we need to bike/scoot 185 miles from Keyworth to Dover.
  - We have planned an event at school on Thursday 9<sup>th</sup> May 3.30 – 4.30. We have worked out each child would need to complete roughly 14 laps of the back playground.
- **The second leg:** it's into the pool where we will need to cover 21 miles by swimming across the channel.
  - We have arranged a swim session on 2<sup>nd</sup> July 2024 during school hours, parents will be informed if your child's year will be taking part. You can also bank miles in your swim lessons or with your own family in a general swim session. We have worked out it is roughly 9 lengths of 25 metre pool per child in the school, but this could be achieved over a few months/lessons/sessions.
- **The final leg:** we will be walk/run 160 miles to our final destination of Paris and to start of the Olympics!
  - Our last stage is walking and running Miss Robinson has organised an event for all to join after school on Thursday 11<sup>th</sup> July. We are inviting all children to join roughly would need to complete 4 laps of both fields. More information will be coming out about this event as Miss Robinson is busy planning!

To complete the challenge, we add together everyone's running, walking, scooting, cycling or swimming until we have covered the distance to Paris. To add your miles please go on the link below. This link will be open until the end of sports week on 12<sup>th</sup> July unless we complete our challenge before this date.
