

HEALTH AND SAFETY POLICY

t

NAME: Crossdale Primary and Keyworth Primary & Nursery Schools

1. STATEMENT OF INTENT

The Governing Body of the School will meet its responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees, and to ensure that their work does not adversely affect the health and safety of other people such as pupils, students, visitors and contractors. Details of how this will be done are given in this health and safety statement.

The Governing Body will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.

Where necessary the Governing Body will seek specialist advice to determine the risks to health and safety in the establishment and the precautions required to deal with them.

The Governing Body will provide sufficient information and training in health and safety matters to all employees in respect to the risk to their health and safety.

The Governing Body requires the support of all staff to enable the maintenance of high standards of health and safety in all the school's activities.

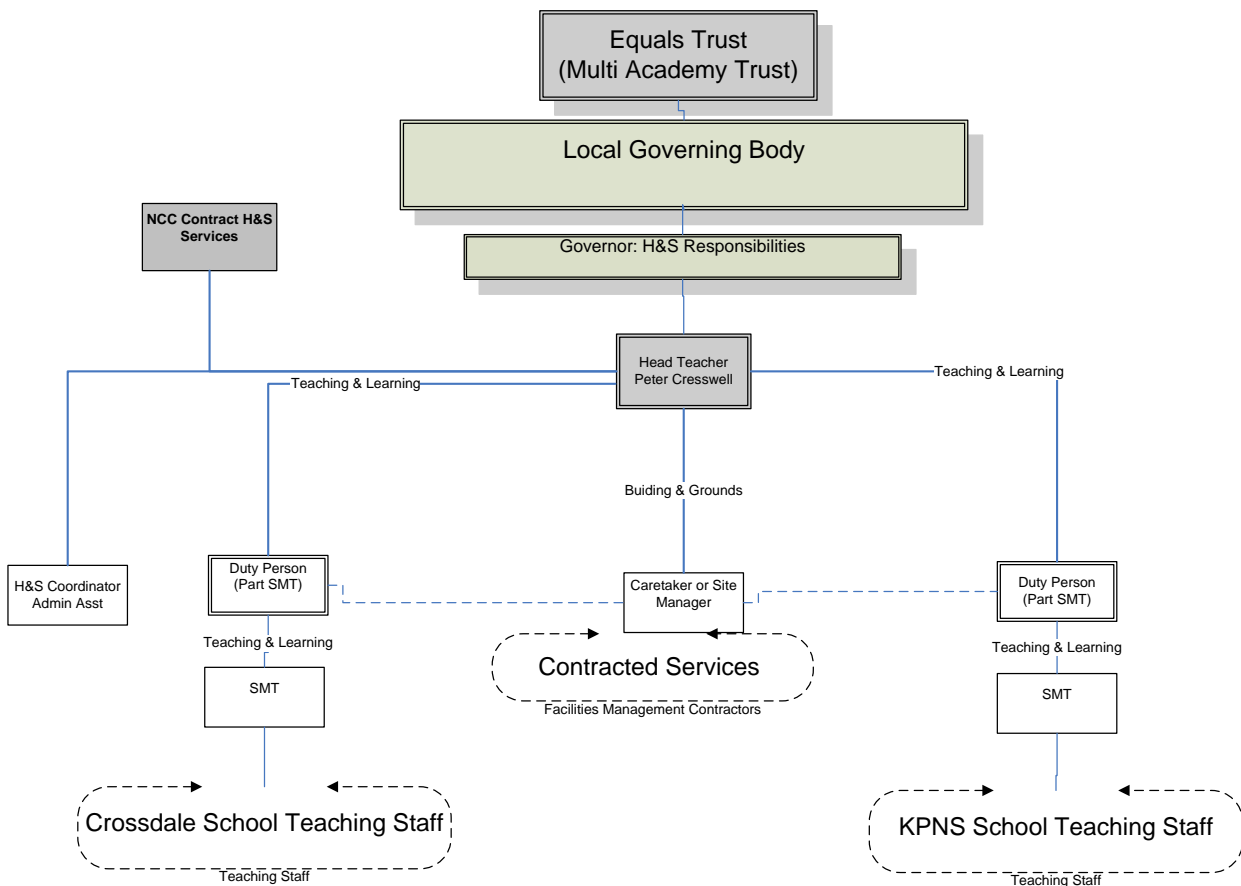

This Statement includes a description of the establishment's organisation and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are given in the arrangements section.
