

Year 2 Curriculum Map Spring 2

History

We are learning all about the Victorians.

We will learn about:

- Who was Queen Victoria?
- Why did children have to work?
- What work did children do?
- What did the Victorians invent?
- What were Victorian schools like?

We will also be having a Victorian day in school where children will get to experience what it would have been like!

Science

We are continuing our learning about everyday materials and what they can be used for.

We will learn about:

Which materials are stretchy?
Which materials are waterproof?
Which scientists developed new materials?

Literacy

Class Text – Oliver Twist (adapted version)

Our new Talk 4 Writing unit will be about 'Kassim and the Greedy Dragon'

We are writing warning stories of our own about characters going on exciting and dangerous adventures.

We will also be working hard on handwriting, grammar skills and spelling this half term.

Maths

We will be learning about multiplication and division, times tables and doubling and halving.

Later in the half term we are learning about length, height, mass and capacity.

Art

In art we are learning about LS Lowry and creating our own landscape pictures in his style.

We will be drawing buildings and matchstick figures to create our own layered pieces.

RE and PSHE

In RE we are learning about churches and the Easter story.

In JIGSAW we are talking about staying healthy.

ICT

We will be learning about publishing and programming online.

We will also be talking about e-safety.

PE

We will be working on Basketball this half term.

PE days will still be on Wednesday and Friday.
