

Beach Goers: Do we like to be beside the seaside?

Vocabulary	Definition
beach	Sandy area at the edge of the sea.
cliff	A steep rock face at the edge of the sea.
coast	Where the sea meets land.
pollution	The affect of harmful chemicals on the planet.
harbour	A place on the coast where ships can moor.
lighthouse	A tower at the coast used to guide or warn ships.
tourists	People who visit somewhere on holiday.
ocean	A very large expanse of sea.
pier	A man-made platform on the sea.
climate	The weather and conditions in a specific area.

What are the features of the coast?

UK

More rain

Colder temperature

Colder seas

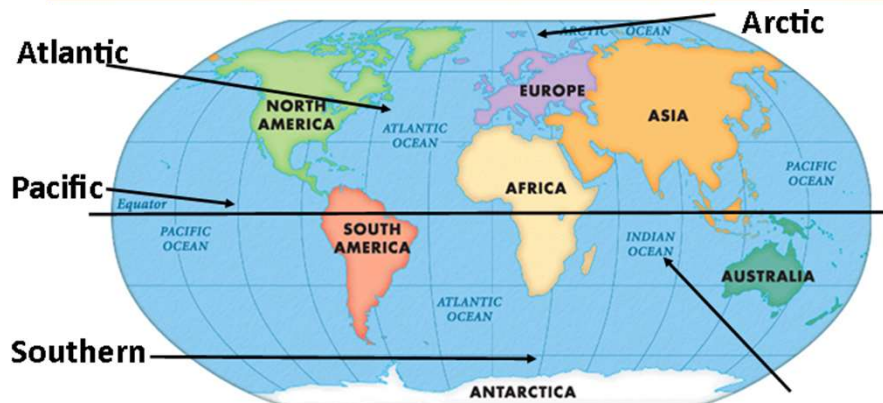

Spain

Less rain and more sunshine

Warmer temperature

Warmer seas

What are the five oceans and where are they located?

How can we look after our coasts?

Beaches are at risk because of humans littering and polluting the oceans.

What can I do?

Recycle litter where we can

Buy less plastic

Use less water—turn off taps!
